A Message from Darren

God is on the move.

This past year, we've had the privilege of seeing people encounter Jesus, grow in their faith, and live on mission in their communities and around the world. Every story and every statistic in this report represents lives being transformed by the hope of the Gospel.

Thank you for celebrating what God has done through Power to Change this year. We're grateful for His faithfulness and excited for all that lies ahead as, together, we help more people know Jesus and experience His power to change the world.

Until all know Jesus,

Darren

LIVES CHANGED

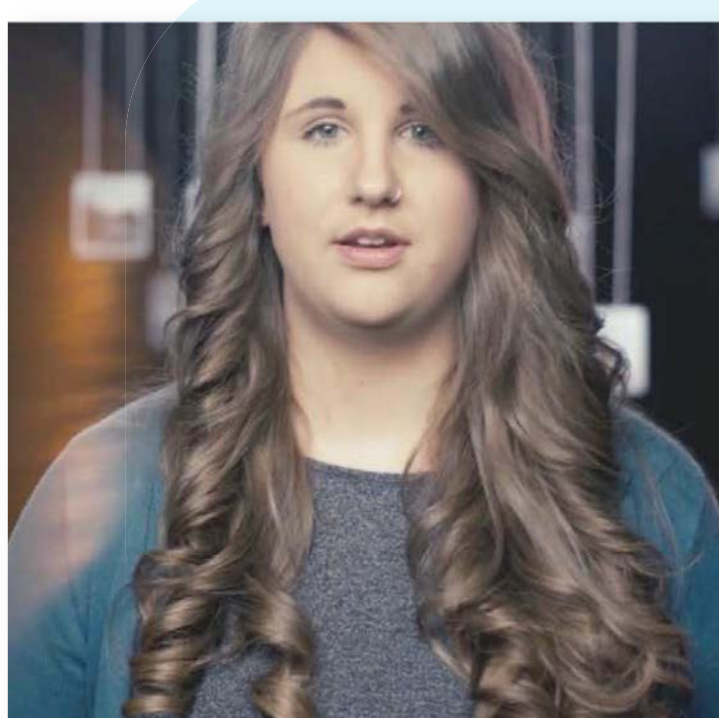

Lives are changed one person at a time. Every story in this report reflects God's faithfulness at work through the prayers, service, and generosity of countless people across Power to Change.

This year, we've seen lives transformed in many different ways: a woman finding Jesus through an **online video**; a man discovering freedom from **addiction** and a new purpose; leaders collaborating to ignite missional **communities** across Canada; couples strengthening their **marriages** through practical, Christ-centred resources; and a university student responding to the Gospel after a late-night **conversation**.

Together, these stories remind us that God is at work—one person, one family, one community at a time.
